

In **RE**, we are looking at the religion of Hinduism and how Hindus show their commitment to their religion.

# The Cat's Whiskers

In **DT** we will be looking at electrical circuits, with the intention of making an alarmed cat flap to link in with our core text.

In **Science**, we are looking at Properties and Changes of materials. This will involve investigations on dissolving, reversible and irreversible changes and different states of matter.

In **English**, we will be looking at both journalistic writing and discussion texts. We will be analysing different texts to identify the main features. We will then use this learning to write our own pieces in each genre. Our core text is Varjak Paw.

In **Maths**, we are consolidating our knowledge of place value which will help support our calculations when looking at addition, subtraction, multiplication and division.

In **Geography**, we are studying the continent of Asia by looking at both the physical and human features. We will then be focussing on the country of Japan, in particular, Mount Fuji.

In **Music** we will be following the Charanga program STOP which follows the styles Grime, Classical, Bhangra, Tango and Latin Fusion.

In **PSHE**, we are following the Jigsaw scheme and will be looking at what it means to be us- 'Being Me in My World'.

**FABULOUS FINISH**  
Wednesday 17<sup>th</sup> October 2:40 pm in classrooms.

Competitive Sports will continue with Mr Field in **PE** as well as Multi Sports with us. Please ensure full PE kit remains in school for the duration of the week.
