

Nursery Term 5 Newsletter 'Living and Growing'

Welcome back! We hope you had a wonderful Easter. Our new topic is called 'Living and Growing'. Our home corner becomes a Garden Centre, we will be busy planting our vegetable and flower gardens, and enjoy core texts with a growing theme!

Dates for your Diary:

Week beginning 19th April **Science Week**

Week beginning 17th May **Jasper's Beanstalk story retelling** on Tapestry

Wednesday 26th April **How Does Your Garden Grow?** Fabulous Finish through Tapestry

Messages

- Can you help with any donations of plastic flowers for our garden centre or seeds and plants for our nursery garden? As ever we will be very grateful!
- Thank you to Mrs Knott for reviewing our snack menu as part of our work towards the HALO Excellence Award. This will be displayed on our outside noticeboard, through Tapestry and on the nursery pages of the school website.

Thank you for your continued support.
Mr Townsend and the nursery team.
